Firm Foundation is taking reasonable common sense precautions in response to your health concerns. Soap and sanitizer is available for your convenience, and the sanctuary, hallway, and bathroom are cleaned and sprayed before and after service with disinfectant cleaner. If you are feeling ill, please refrain from attending church services and events.

Protocols have been put in place that are intended to promote the safety and health of all. These have been made publicly available. Let's not panic or welcome anxiety. Jesus Christ is still on His throne! If you have any questions or concerns, please see Pastor James.

Isaiah 26:3 New King James Version (NKJV)
***“You will keep *him* in perfect peace,
Whose mind is stayed on You,
Because he trusts in You.”***

Protocols to Promote Health and Safety, 5/9/20

- 1. These protocols will be posted, as signage, as required by RIDOH.**
- 2. Capacity and gathering size are restricted to current legal limits.**
- 3. Those attending church services will be required to do a brief health screening at point of entry, consisting of a no-contact temperature check and a symptom check.**
- 4. Social distancing of six feet between those not of the same household is required. The purpose of this is so that people do not come into close contact with others. The state defines close contact as being within six feet of others for “an extended period of time.”**
- 5. Face masks are required. If you do not have one, the church will give you one.**
- 6. Soap, sanitizer, and paper towels and/or tissues are placed near the entrance.**
- 7. One hour is required between services to allow for cleaning, disinfecting, and wiping down of shared items (e.g. doorknobs, hymnals) and previously and/or regularly used items and areas (including but not limited to the pulpit area, seating area, hallway, and the bathroom).**
